Jesus said, "I've come to start a fire on this earth - how I wish it were already blazing right now!  
Luke 12:49

## WELCOME!

The church was birthed in a demonstration of fire and the revelation of God's love.

"How great is the love the Father has lavished on us, that we should be called children of God! And that is what we are!"  
1 John 3:1

You are invited to come and enter the furnace of the Father's love.

These three days will redefine normal for you as we go from glory to glory.

Over the years those who have participated in the Raging Fire Conference have encountered God in unique and powerful ways. Lives have been transformed and destinies unlocked.

Our God is still "a consuming fire" and is looking for people of passion and fire. People who will be radical, raw revivalists.

Be set ablaze to carry the fire to others!

### John and Carol Arnott

John and Carol Arnott were the Senior Pastors of Toronto Airport Christian Fellowship. They saw God use them to bring a fresh revelation of the Father's love to those who were hungry for more. God has continued to use them around the world to bring refreshing and wholeness.

### Kristen Williams

Kristen has championed a generation to rise and be radical, fearless and be the revival God is looking for.

### Craig Marsh

God continues to use Craig to unlock the supernatural realm for people.
